Other Comments/Questions

By submitting this form, you commit to this trip and give permission for your picture to be used in future promotional materials. You also commit to the following: All children traveling should be successfully potty trained. All movie/phone/tablet viewing should always include the use of headphones on the bus. Be on time. This means your responsibility to everyone on your trip and their trip. Be nice ... all the time, in every situation. This covers a general attitude of successful travel with a group.
